

# Portable Hydrogen Rich Water Generation Tumbler

- It produce "Pure" Hydrogen water.
- It use advance electrolysis with advanced patented technology.
- End result is getting – pure hydrogen rich water.

# Portable Hydrogen Rich Water Generation Tumbler

- Drink Hydrogen Rich water.
- Hydrogen is a natural antioxidant.
- Hydrogen is qualified to cross blood brain barrier
- Push button at once for 3 minutes hydrogen produce.
- Push button at twice for 10 minutes hydrogen produce.

- Pour the purified water to fill up half of Bottle.
- Push the button on and start to inhale hydrogen.
- Hydrogen is a natural antioxidant.
- Hydrogen gas inhalation improves lung function.
- Hydrogen exerts it neuroprotective effects.

# Portable Hydrogen Rich Water Generation Tumbler

- ➡ You can carry only bottom part of hydrogen bottle..
- ➡ Packaged or Mineral drinking water bottle can be fitted on bottom part of hydrogen bottle.
- ➡ Push the button to get hydrogen rich-water.

- ➡ Fill the Spray bottle with hydrogen Rich water.
- ➡ You can apply spray on your face.
- ➡ To have Healthy, elastic, Wrinkle -free & Young Looking skin.
- ➡ ORP of the skin increased by oxidative damage (from sun exposure) and also by aging.
- ➡ it reduced the ORP of skin and also improved its elasticity.

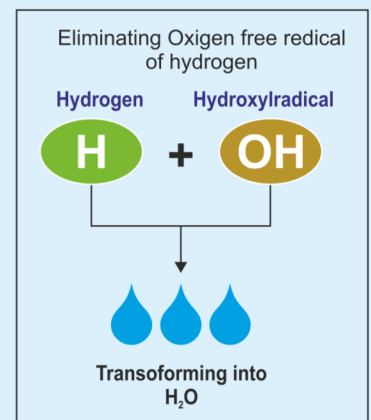

# Portable Hydrogen Rich Water Generation Tumbler

## WHAT IS HYDROGEN WATER?

- Chemically represented with symbol H having atomic number 1.
- 75% of entire universe made up of hydrogen.
- Smallest & Simplest element in universe & having capabilities to act at cellular levels in our body.
- Hydrogen is natural Antioxidant.
- Hydrogen is qualified to cross blood brain barrier.
- Studies shows that hydrogen exerts an Antioxidant. Anti-apototic, Auto-Inflammatory &
- Cytoprotective properties that are beneficial to cell

## SPECIFICATION :

<b>Initial source of water</b>	purified water
<b>Voltage</b>	220V, 50-60 HZ, SV, 2A
<b>Battery Capacity</b>	3000 mAh
<b>Cup Capacity</b>	380ml
<b>Temperature</b>	0°C to 60° c
<b>pH</b>	7.0 - 8.0
<b>Antioxidant Indices (ORP)</b>	up to -600mv
<b>Dissolved Hydrogen</b>	up to 2000/2500
<b>Product Composition</b>	Cap Box, Tritan Body Android Phone USB Charge
<b>Full charged Battery</b>	Can be used 60 times.
<b>Hydrogen Produce Cycle</b>	3 minutes : ( Push the button 1 time ) 10 minutes : ( Push the button 2 times )
<b>Regeneration Process</b>	Push the button till green light appear. Automatically green light goes off when regeneration process is completed. Don't drink the water, Drain that water. Now bottle is ready to use.

## FEATURE :

- Can Generate Ozone for Skin Care & Washing Fruits & Vegetables.
- SPE Technology (Solid Polymer Electrolysis).
- Tritan 100% BPA Free (unbreakable).
- No Citric Acid Process is Required for cleaning plates.
- Less space consuming & can be connected with Purified tap water.
- LED Indicator.
- No more high alkaline or acidic water (mild alkaline)
