

# mediQUA

**PRESENTING World's 1st**  
Filter-less Alkaline Ionizer

Made in Korea

## AK-101

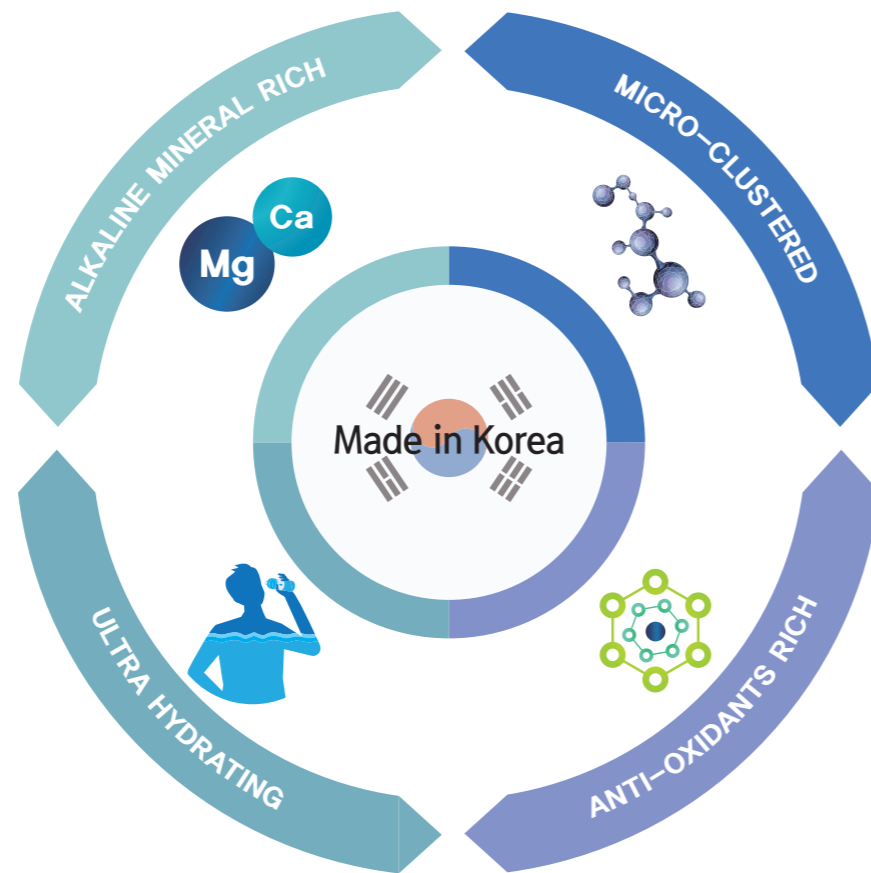

---

**Ionized Alkaline water**

Each glass Contains mineral rich,  
ionized alkaline water full of Antioxidants

# What is Ionized Alkaline Water?

72% of our body is made up of water, So choose healthy water for a healthy life.

# Alkaline (pH Range)

## SICKNESS

Acidic food & Drinks emotional & physical imbalance stress & AGING.

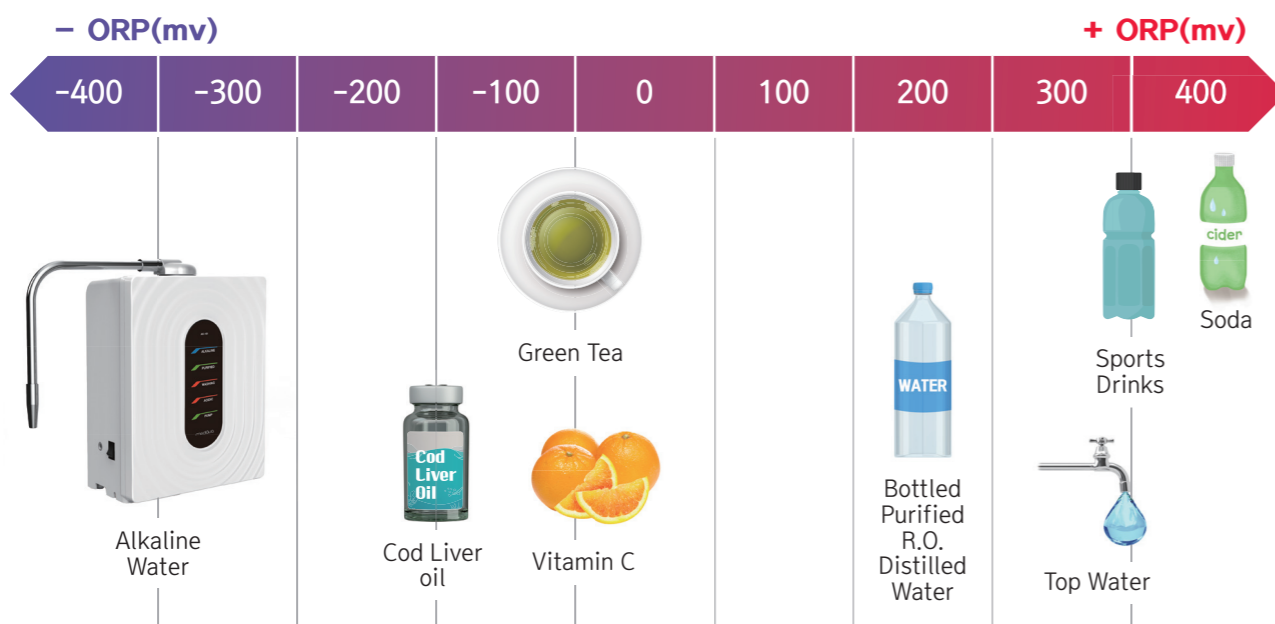

## WELLNESS

Raw Alkaline foods, emotional & physical balance Strength, Youth & Vitality.

### pH scale

# ORP (Oxidation Reduction Potential)

# Micro - Clustering

Microclustering- Regular drinking water has 20-35 water molecules in large clusters and Ionized water has 2-5 which results in easy and faster absorption, removal of toxins from cells and helps in Anti-aging, Detoxification and curing constipation.

## Process Of Ionization

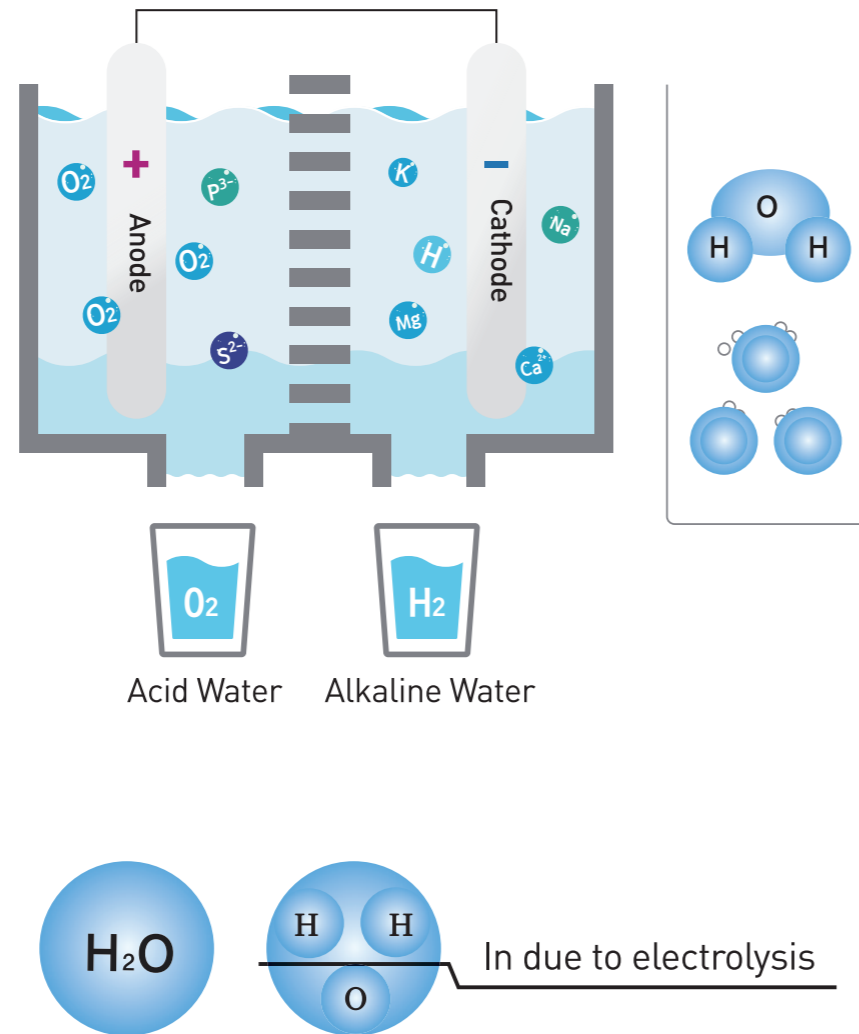

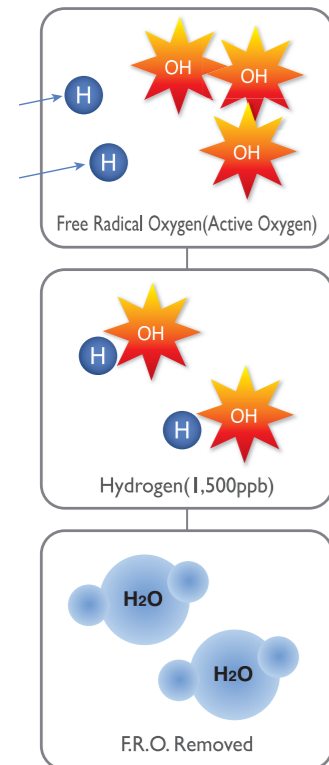

### Explanation of Ionized Water

with electrolyzed water, the cathode (-) produces Alkaline Ionized Water with minerals (pH scope 7.5 ~ 10) – such as Ca, K, Mg, Na, etc, because the hydroxyl ion (OH-) generates a reaction. the anode (+) has lots of hydrogen (H+) (pH scope 3.5 ~ 6.5) because the oxygen gas (O<sub>2</sub>) generates a reaction and acid ion water has many ions such as Cl, S, P.

The Ionized Alkaline Water and acid ion water, made by a water ionizer, has characteristics as below.

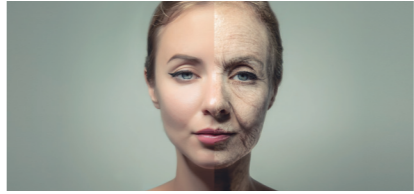

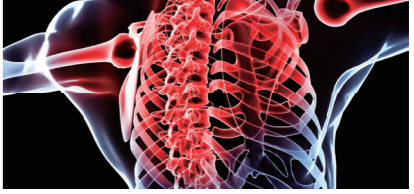

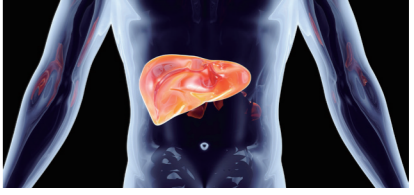

### F.R.O REMOVAL

Removal of free Radical Oxygen

## Advantages Of Ionized Alkaline Water

### Alkaline water helps in

- 01 Weight loss 
- 02 Detoxification 
- 03 Anti ageing 
- 04 Heart health & Blood pressure 
- 05 Balanced body PH 
- 06 Bone health 
- 07 Digestive health 
- 08 Liver health 
- 09 Sports performance 
- 10 Hydration 

## Application of Ionized Alkaline Water

- pH Water** 8.0-10.0 Absorbing, dissolving and heat conducting benefits.
- Drinking** Drink 2-cup of Ionized Alkaline Water first thing in the morning. It is important to include vegetables in your diet.
- Food Preparation** Clean vegetables and fish, Enhance the flavor of broccoli, etc. by pre-boiling them in Ionized Alkaline Water. Use less condiments and salt in your diet.
- Rice** Use Ionized Alkaline Water for washing and cooking rice, The result is delicious and fluffy rice.
- Tea** Taste and aroma are everything to many people, You will be surprised at the improved color, taste and aroma. You can use less and still achieve a full rich taste.
- Soups and Stews** Ionized Alkaline Water draws out the flavor of ingredients so they get tender and juicy. Therefore, less seasoning such as salt and soy sauce are needed. This water is good for people who want to reduce their salt intake.
- Health** Through continuous use, the acidic tendency of your body can be gradually corrected to an Alkaline level. Drink at least half your body weight in ounces in order to gradually change an acidic level to a slightly Alkaline one.
- Colon cleansing** Warm the water to body temperature and use the colon cleansing unit to remove accumulated debris and waste.
- Other Uses** One theory is that this water reduces free radicals. Recently, this water has been acclaimed as "Free Radical Water". It shows down aging and stabilizes body temperature.

## Mediqua Advantage

### AK-101

- Made in South Korea
- No filter Replacement
- Patented Technology
- 99.99% Platinum coating on solid titanium plates
- 3 large sized plates for strong ionization
- Value for money
- One touch button for Pump

### Specifications

Product name	Alkaline Water Ionizer
Model	Mediqua AK-101
Manufacturer	Jinnys co., Ltd., South Korea
Manufacturing number and Manufacturing date	back of product
Electricity	100 ~ 240 V, 50/60 Hz
Power consumption	Max 30W
Main unit size and weight	210mm(W) × 290mm(H) × 115mm(D) / 2.5kg
Composition and water supply type	mounting and wall mounting
Water supply type	Direct connection type from water purifier
Operating method	touch sensor type
Operating Temperature	5°C ~ 35°C
Electrolytic method	Continuous electrolytic method(built-in flow sensor)
Power protection device	Over current, short circuit protection
Electrolysis Chamber has 3 solid titanium plates with 99.99% pure platinum coating
